For those of you who once again would like to spend a weekend in this picturesque part of Scotland, the Club is organising a Run on the Saturday 15 May, meeting at Riverside Car Park, Newton Stewart (situated opposite Sainsbury's) at 12 midday to book in, and leaving at approx 12.30 p.m.

Please note change of starting point for this year's Run

A sheet with directions and a map will be given to you when you arrive at Riverside Car Park, Newton Stewart

Final details of the Reception for those taking part in the Run will also be handed out.

Due to lack of outside financial help this year we are making a small charge of £2-50, per adult, towards the buffet. This should be sent along with your entry form. Cheques should be made payable to WYTMC

We look forward to seeing friends from previous Rallies and hopefully many new ones.
